2017 French Lick Meet Photos

Dear Michael,

What a fantastic time we had at the 66th Annual Meet in French Lick, Indiana! How fortunate are we to be with such wonderful people who share our enthusiasm for such incredible cars? Add to that the many options offered from morning until night and you can be as busy or as relaxed as you desire. Whether it's taking a beautiful drive or attending one of many technical sessions you are bound to spend time with friends and learn something new about the Rolls or Bentley marques. WHAT A GREAT TIME IT WAS!

Photographs from the Meet are now posted online!

Our work supports some very special groups:

Thank you to the dedicated **Staff of RROC and the Foundation** who support each Club member by attending to the day-to-day operation of our organization.

Thank you to the team of **RROC Judges** who work so hard to evaluate, review and judge all the beautiful cars in a fair and impartial manner.

Thank you to **The Flying Lady Staff** who strive to give you the best information and highest quality publication as they chronicle the Rolls-Royce and Bentley marques.

Every year these groups come together to work alongside the Meet Chairs to produce the Annual Meet. This year a special thank you to Meet Chairs Michael Ozment and Marlyn Coomes who organized an incredible team of volunteers, planned once-in-a-lifetime opportunities and events, took us on incredibly beautiful roadways and made us add another location to our list of “places we must see again”. As always, there was too much to do and too little time.

Last but not least, thank you to all the members for allowing us the opportunity to photograph you and your cars. It is your enthusiasm and your dedication which keeps these cars held in the highest regard and makes us proud to be members of RROC.

We look forward to seeing you in Squaw Valley for the 67th Annual Meet in 2018!
