An Orderly Changing of the Guard

To all Members of the RROC,

As you learned from his column a few weeks ago, Bob Austin has decided to step down from the position of Executive Director of our Club. He planned to be gone by the end of this calendar year. Bob has been with us four years and is ready to work on his own cars, including a Sunbeam Tiger, which has been apart for 20 years! As car people ourselves, I think we can all appreciate this sentiment from a fellow enthusiast.

We will always be grateful to Bob for the friendly and professional tone he set. Bob has worked hard to establish good relations with both car companies and has made his email blasts his trademark, keeping us all well informed. Those of us who have had the pleasure of knowing Bob, appreciate his sense of humor and his warm personality.

As of September we will have a new Executive Director, Mark Lizewskie. Many of you may know Mark, he has been a "car guy" all his working career and a car lover all of his life. Mark is a local enthusiast who has worked in a restoration facility as well as car

dealerships, has been Director of the AACA (Antique Automobile Club of America) Museum in Hershey, PA, and has also been on the Rolls-Royce Foundation Board. His connections within our hobby are extensive and his passion for the cars is unmatched.

Bob will stay on as long as necessary to help Mark through the transition as smoothly as possible.

I know that you will all welcome Mark with open arms and help him in his new position. I hope, too, that you will thank Bob for a job very well done.
