Tour of the Bluegrass – Bourbon + Horses + Keeneland
Lexington, KY

Welcome to the heart of the Bluegrass set amidst the horse farms and bourbon trails of Lexington, KY. Details are coming together nicely for a great 4-day weekend drive to include tours of local distilleries, horse farms and a beautiful day at Keeneland Race Track -- the last leg of racing before the Kentucky Derby!

Please "Pre-Register" below now to help us better plan for this event. Group tours will be offered over the four days with advanced payment required by January 2 to officially book at the Woodford Reserve Distillery on Thursday, April 12 and most importantly, Keeneland on Saturday, April 14. Plus, enjoy a one-on-one, Technical Talk Session with Ronny Shaver, Director and Technical Chairperson of the Southern California RROC Region, along with long-time restorer, David Trapp on Friday afternoon.

Of course, maps, details and times for all of the venues, plus other local favorites, will be included for "On Your Own" tours to let you customize your weekend adventure, if desired. I am more than happy to help you plan any small group excursion or activity beyond the tentative agenda below.
